

CENTURION BOATS
2025 Ri SERIES

Create Memories for a Lifetime

Centurion's Ri Series offers the epitome of performance in a luxury package. These flagship boats – the Ri230, Ri245, and Ri265 – merge world-class waves, wake and ride capabilities with unparalleled comfort, offering a customizable experience for discerning boaters. Pick your size, choose your options. Each model is imbued with deep comfort, world-class performance, and exceptional options.

Ri Series Features

The new dash on our 2025 Ri Series models offers more convenience than ever with the Range of View (ROV) System, which enables a front and rear view simultaneously as well as real-time fuel consumption data, the stereo remote in the lower left, and the perfectly placed phone charger. This isn't just a console – it's command central. A new phone charger next to the glove box is perfect for front passengers and blends seamlessly with the console. For ease of access the new, external battery charger plug-in takes the hassle out of charging and saves time. But features of the Ri are also about style and luxury, and the unique standard stitching pattern says luxury without shouting. Limo lighting under the slide seat makes it easier to see when the sun goes down or in the early mornings and is the kind of feature that quickly becomes a game changer. When you need more space to spread out, the removable bow filler cushion is up to the task. New LED lighting on the Lit throttle is both fun and subtly helpful. Ramfill² enables you to fill ballast in 90 seconds as you make your way to your favorite spot.

Pick Your Size and Design Your Perfect Boat

You can't go wrong with any Centurion Ri as every model is top-of-the-line perfection for performance and comfort. Every Ri has the world's best waves, wakes and ride by design, and every Ri is available with the outstanding Predator Power Tower. As Centurion's flagship series, the Ris are the models all wake surfers desire. Once you know you want an Ri, you just need to decide what size and what options you want. If you're a smaller family or want to take up to 14 people out at a time, the 23-foot Ri230 may be your best option. If you have a larger family or a group of like-minded friends the 24.5' Ri245 will accommodate up to 16 adults comfortably, which is a nice size crew. If you are a legit extrovert and need to take the entire extended family along, or you just demand the best of the best, the Yacht Certified, 26.5' Ri265 is the clear choice for you.

Ri230

Ri245

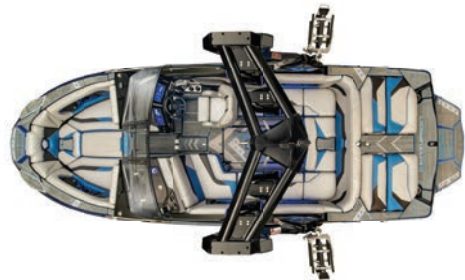

Ri265

Ri230

STD TORQUE	TOTAL BALLAST	FUEL CAPACITY	SEATING CAPACITY	TOTAL AVBL. RAMFILL
400ft/lb	5400 lbs	81 gallons	14 people	2500 lbs

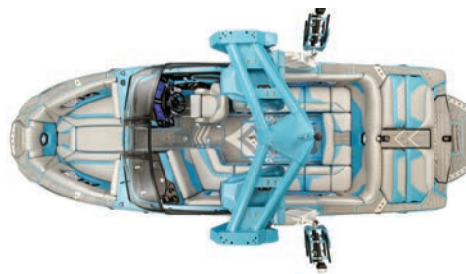

The smallest of our Ri Series, the Ri230 merges the depth of the Ri Series with the convenience of a 23-foot size boat in an aggressive, head-turning style. Thanks to the Opti-V running surface, the versatile Ri230 is the official tow boat of both the Centurion World Wake Surfing Championship and the IWWF Wakeboard World Championships.

Ri245

STD TORQUE	TOTAL BALLAST	FUEL CAPACITY	SEATING CAPACITY	TOTAL AVBL. RAMFILL
400ft/lb	5650 lbs	89 gallons	16 people	2700 lbs

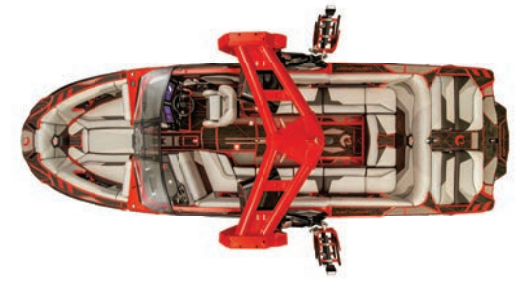

The Ri245 hits the sweet spot for advanced wave and wake sports enthusiasts with a 24.5' powerhouse that excels in performance and comfort. Offering up to 5650 pounds of ballast, the Ri245 provides the best surf wave every time along with a comfy ride that accommodates up to 16 people.

Ri265

STD TORQUE	TOTAL BALLAST	FUEL CAPACITY	SEATING CAPACITY	TOTAL AVBL. RAMFILL
465ft/lb	5850 lbs	92 gallons	Yacht Cert.	2900 lbs

What do you get when you combine yacht certified luxury seating and the longest, pushiest surf wave with a smooth, rough water ride? The Centurion Ri265 – a 26.5’ beast of a boat that will satisfy your need for luxury and performance. This top-of-the-line flagship model speaks to the most discerning buyers who want both a comfortable ride and all-out performance.

The Predator Power Tower – Protection From the Sun in Surround Sound

The Predator Power Tower may intimidate competitors, but for owners of Centurion boats it offers comforting shelter and all-day sun protection with its fixed bimini. For 2025, the Predator Power Tower is available with the choice of 18 optional top colors, making it possible to blend with the design you choose for your Ri Series boat. This remarkable tower is grounded in four Linak linear actuators, rated at 2200 pounds each, pushing and pulling in smart synchronization to raise and lower it, all while keeping the rigid 9-foot convertible bimini parallel to the floor.
